Year 13 update

28th May 2021

Dear Parents and Carers

Following the leaving assembly and the year 13 students' final day of school, I can confirm we have released the final predicted grades as we would have in previous years to students to aid their choices when they leave.

I must stress these are predicted grades which have been taken from all the evidence we have and copies of students' work. These have been predicted before any moderation by the centre or the exam board. Moderation is due to take place between now and the results day on 10th August, and the school will not have access to the final grades awarded to each student until results day; therefore, we cannot confirm these will be their final grades. This is what happens every year and is usually shared with parents and students as a guide.

As always, there will be an official results day where students can collect their results from school. This is Tuesday 10th August between 10am to 11.30am.

Despite this being a very challenging and difficult year for students and us all, we have enjoyed working through this process and supporting our students. They have been a real credit and have showed a maturity, understanding and resilience to the changes forced upon them. It has truly been a pleasure to have them at Idsall and they will be sadly missed by all. We know many will go on to gain the recognition they desire, and I hope they are inspired to make great things happen.

We would like to thank you all for the continued support you have given the school and wish each and every one of our leavers the very best of luck and success in the future.

Ms M King
Headteacher
