

ASPIRE TO HE

Higher Education for all

CHAT TO OUR TEAM

Feeling unsure about your next steps? Not sure who to speak to about your future options whilst school is closed?

Speak to a member of the Aspire to HE team, who can help answer your questions!

- You might have a question about higher education and what will happen to your university application or student finance.
- You might be applying to sixth form or college and need help making your decision.
- You might want to find out more about career pathways, university courses, and apprenticeships.

Whatever the question about your future options or higher education, we have a team of staff who can support you.

Simply visit the University of Wolverhampton 'Chat to a Student' service here: wlv.ac.uk/chat select the 'Staff' tab. You will be asked to set up a quick account, which is both safe and secure. You can then ask the Aspire to HE team your questions and we'll be happy to help!

SPEAK TO AN ASPIRE TO HE ENGAGEMENT OFFICER

Over the last year, a team of Aspire Engagement Officers have been working in a selection of our partner schools supporting students in year 9–year 13 to make informed and ambitious decisions about their future. You may have met some of them on a trip to the University of Wolverhampton.

Our Engagement Officers are available during this troubling time, to support you in making an ambitious decision for your future. You may have questions about university, student finance, college or apprenticeship applications. Our team are happy to help!
