

Unit 25 – RULES REGULATIONS AND OFFICIATING IN SPORT

Mr B Fisher

If you sign up for the double **Btec Award in Sport** one of the first units you will start on is **Unit 25 Rules and Regulations and officiating in sport.**

The unit starts with an investigation into National governing bodies and how they set, Impose regulations and rules for their own Sport at all levels.

Pre Unit Task June 2020

- ▶ Investigate the changes to rules and regulations that are allowing sport to restart after the lockdown for Corona virus in the UK
- ▶ Identify why these rules and regulations have had to be included alongside the current rules and regulations of the sport
- ▶ Know and apply the rules and regulations and what sanctions will be in place if broken.

What you need do.

Research a number of different sports (min 3 max 5)

Identify the rule regulation changes that have been brought in or suggested to allow the sport to return. (5 per sport min)

Copy the table as a template to record your information / research (3 to 5 different sports 5 examples or more from each, **NO Cut and Paste please**)

If you need any additional guidance please email me with your question
Bfisher@idsall.shropshire.sch.co.uk

Please submit by email if you would like feedback

Enjoy the task and stay safe

Mr B Fisher

Sport	New regulation / rule	Reason	Sanctions
Rugby	Regulation Regular sanitisation of the match ball before, during and after matches.	Health and safety Perception of transmission of virus	Game to be cancelled if no provision sanitisation to take place
Rugby	Rule Limits to scrum options with no scrum resets	Limit close contact of front five players by up to 60%	Award penalty and restart game
