

Student Remote Access User Guide

This gives students access to an Idsall School Windows workstation as though they were logged in at school by entering their school username and password.

This can either be accessed by:

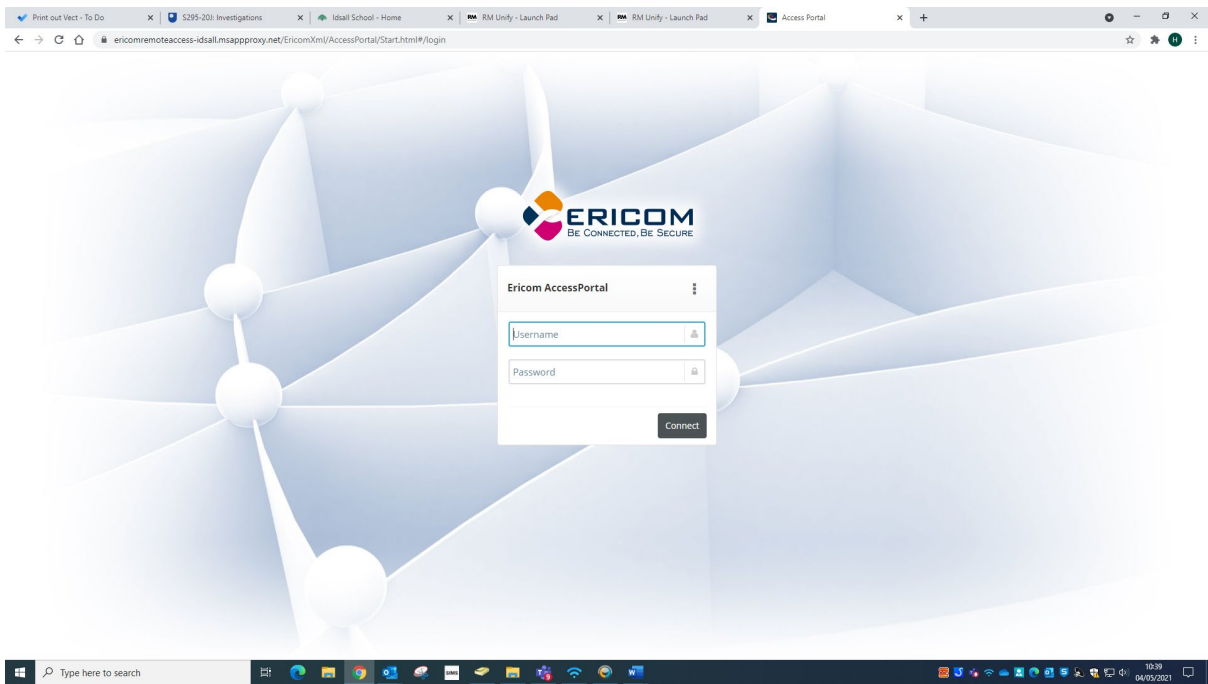

- Clicking <https://pupifolders.idsall.shropshire.sch.uk> or
- Logging onto RM Unify and clicking the Remote Access tab.

- The following window will appear. Click on the first tab 'Access Portal' and click 'Launch AccessPortal'

AccessPortal	AccessPad	AccessToGo
<p>Web based interface that launches published applications and desktops that will use the AccessNow protocol. Uses any modern web browser, no download required. Use with smartphones, tablets, Chromebooks®, desktops, laptops, thin client, etc.</p> <p>Click to start</p> <ul style="list-style-type: none">▪ Launch AccessPortal▪ Launch AccessPortal Port 443	<p>Native application that launches published applications and desktops that will use either RDP or Blaze protocol.</p> <p>Click to start</p> <ul style="list-style-type: none">▪ Windows AccessPad (32-bit)▪ Windows AccessPad (64-bit)▪ Windows AccessPad Lite (64 and 32 bit)▪ Mac AccessPad (x64 DMG)▪ Mac AccessPad (x64 PKG)▪ Linux AccessPad (x64 DEB) <p>AccessPad requires the Connect server address. Try the address in the URL above or ask your admin.</p>	<p>Native mobile client for smartphones and tablets that launches published applications and desktops that will use either RDP or Blaze protocol.</p> <p>Click to start</p> <ul style="list-style-type: none">▪ Apple AppStore▪ Google Play <p>AccessToGo requires the Connect server address. Try the address in the URL above or ask your admin.</p>

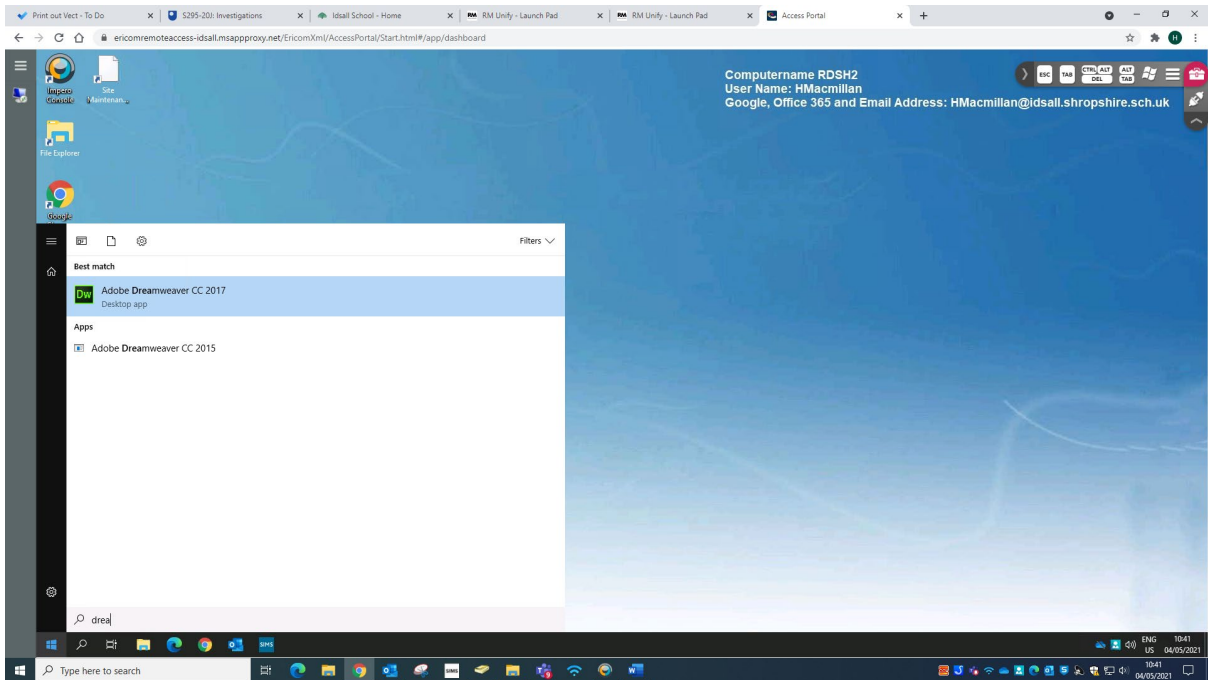

- Logon with your school username and password

- Click on desktop

- Search for an app e.g., Dreamweaver

- Logout when you are finished by clicking on the 3 dots and select logout
