

10Y1 - Biology

Work for Home on the Marches Collaboration Day Friday 8<sup>th</sup> February 2024

**Preventing Infection**

Please work your way through the powerpoint presentation entitled 'Preventing Infection'.

Make notes from slides 7,8,9,10 and 11.

This covers the work of Ignaz Semmelweis, Louis Pasteur and Joseph Lister.

There are also embedded video links about each of these scientists.

If you are having any trouble with the powerpoint then I have also pasted the links below

<https://www.youtube.com/watch?v=w04gTXu1mHM> – Ignaz S.

<https://www.youtube.com/watch?v=ZmaoHB5fKB4> – Louis P.

<https://www.youtube.com/watch?v=Q4cNBNGqqjs> – Joseph S.

Then try the questions on slide number 12.

The answers are on slide 13 so that you can self evaluate.
