

Training Day Independent Work SLM

Complete the Kerboodle assignments set online. Log into Kerboodle through RM Unify, once on the page click log in with google (try log in with Microsoft if this does not work). Click on the little bell icon or the assignments tab to find the tasks set.

Go through each task and complete.

If you are unable to get Kerboodle to work – create a poster about compounds. Go to BBC bitesize KS3 Chemistry to help you find the information you need.
