AN EXAMPLE OF AN ACTIVIST WHO SUFFERED AT THE HANDS OF CORRUPTION

At age 20, Malala Yousafzai is one of the most accomplished and most celebrated people in the world.

Five years ago, she was shot by the Taliban in her native Pakistan for defying the ban against women going to school.

Since then, she has won the Nobel Peace Prize, travelled all over the world, authored two books, and started studying at Oxford University.

Malala Yousafzai is 20 years old. She is a Pakistani activist, an author, and the youngest recipient of the Nobel Peace Prize.

Yousafzai began studying at Oxford University in October 2017. She will study philosophy, politics, and economics.

Now, read the opening to her autobiography.

Am Malala: Excerpt of the Prologue

The ride to school was quick, just five minutes up the road and along the river. I arrived on time, and exam day passed as it always did. The chaos of Mingora city surrounded us with its honking horns and factory noises while we worked silently, bent over our papers in hushed concentration.

By day's end I was tired but happy; I knew I'd done well on my test. "Let's stay on for the second trip," said Moniba, my best friend. "That way we can chat a little longer." We always liked to stay on for the late pickup.

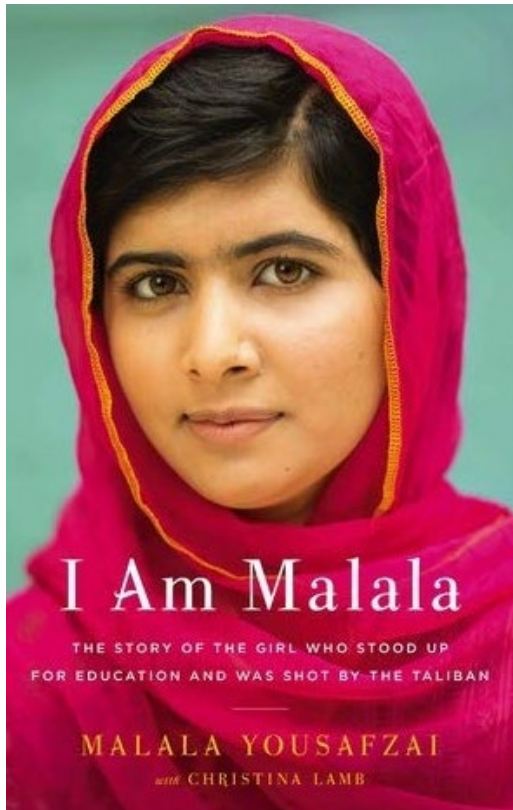

For days I'd had a strange, gnawing feeling that something bad was going to happen. One night I'd found myself wondering about death. What is being dead really like? I wanted to know. I was alone in my room, so I turned toward Mecca and asked God. "What happens when you die?" I said. "How would it feel?"

If I died, I wanted to be able to tell people what it felt like. "Malala, you silly girl!" I said to myself then, "you'd be dead and you couldn't tell people what it was like."

Before I went to bed, I asked God for one more thing. Can I die a little bit and come back, so I can tell people about it?

But the next day had dawned bright and sunny, and so had the next one and the one after that. An hour now I knew I'd done well on my exam. Whatever cloud had been hanging over my head had be-
