

**Year 7**  
**English Literature**  
**'I am Malala'**

Hello Year 7,

This term, you have been reading the non-fiction text, 'I am Malala' – I hope that you are enjoying it 😊

We would like you to complete a book review, giving information and honest opinions about what you have read so far (we know you won't have read it all yet, so just base your review on where you have read up to in class).

We have attached a writing frame to help you plan your ideas and organise your writing.

The review can be completed on a word processor or by hand (please feel free to print the writing frame off or complete the blank cells on your device if it'll let you. If not, just use it as a guide and write your response to each section in Word as separate paragraphs).

There is also a copy of the text included – please use this to help you remember names of people and places and to recall events that are described.

Thank you 😊
