- 3: Do not misuse the name of God
- 4: Keep the Sabbath holy

"I felt that some rules were too restrictive and needed thinking through. Let me give you an example. It's to do with the 4th commandment."

For strict Jews, 'keeping the Sabbath holy' means **NO WORK**. You can't cook, light a fire or harvest food. It was the Sabbath and my disciples and I were walking through a corn field; they were hungry and started to pick ears of corn to eat. They were accused by the teachers of the law of working!

So, I replied "If one of you has a child or an ox that falls into a well on the Sabbath day, will you not immediately pull it out?" The teachers of the Law went away.
