The Fitnessista™
being fit is always in style

Hi year 7 and year 8

Please could you spell your name (first and surname) to get your workout planned on a piece of paper.

If you don't have the equipment to do the activity, see if you can be creative with other pieces of equipment or you can alternatively select another activity to do for that letter.

Have fun and get away from sitting down working and enjoy being physical activity.

Thank you,

The PE team.
