

Year 13 PSHCE Work

Collaboration Day - Friday 9th February

Travelling, Gap Years, Volunteering and Summer Jobs

With the end of your sixth form journey fast approaching, some of you may be considering going travelling, taking a gap year, volunteering and/or getting a summer job. If you are considering any of these options, **completing your research first is key!** Spend an hour today looking through some of the advice and guidance available. If any of these things interest you and you want further advice then please see Mrs McMahon to book an appointment with Pete to discuss your plans further.
