

Year 13 Sociology Work

Friday 9th February

Task 1

Following the mock exam feedback received on Wednesday **please complete your own follow up tasks**. This could include rewriting some of your **red** answers and editing some of your **amber** answers.

Remember, marks are awarded in sociology for...

AO1 – Your knowledge and understanding of sociological concepts and ideas

AO2 – Your ability to accurately apply AO1 to the question being asked, including application of material from the item (if the question has one)

AO3 – Your ability to analyse ideas, showing the importance of them to the context of the question (This means.... Therefore.... The relevance of this is.... This AO also looks at your ability to evaluate (judge) ideas. For example, the strengths, weaknesses and usefulness of ideas to understanding society

Task 2

In addition to this, you could also **take a look through** some of the past papers, mark schemes, answer commentary and examiners reports available online at <https://www.aqa.org.uk/subjects/sociology/as-and-a-level/sociology-7191-7192/assessment-resources> this will further help you to understand the assessment demands of the course

Task 3

Finally, in preparation for us starting our topic on the media when we return to school on 20th February, **please read the chapter** in the topic companion on crime and the media. Have a brief look at the exam style questions at the end of the chapter too.
