

Year 9 Design and Technology

(Graphics and Product Design groups)

Select one of the designers listed below, and search for some images of their work.

Design one of the following products in the style of the designer that you have chosen.

- Chair
- Lamp
- Clock

Consider what shapes, colours, and materials they would use.

Annotate to explain your design decisions.

Render with coloured pencils/pens, and use fine liner or a black pen to go around the edges.

You can email a photo or scan of your work to your teacher if you wish.
