National Apprenticeship Week 2024

5th – 11th February 2024

Activity pack for students

Introduction

National Apprenticeship Week is a fantastic opportunity for you to learn more about apprenticeships and how they might be an exciting option for you when you leave school or college. Following the instructions of your teacher, work your way through this activity pack to begin exploring what apprenticeships are, which apprenticeships are available and to learn about the exciting careers apprenticeships can lead to.

Please note that some tasks will require access to a computer and the internet.

Social media: [@Apprenticeships](#) **Hashtag:** [#NAW2024](#)

Contents

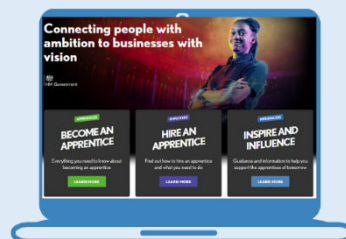

Activity sheet 1: Apprenticeships quiz	3
Activity sheet 4: Find the missing word	7
Activity sheet 5: Apprentice employer logos	8
Activity sheet 6: The Big Assembly	9
Activity sheet 7: Link the apprenticeship	10
Activity sheet 9: Be an apprenticeship influencer!	12

Top tips for exploring apprenticeships

To continue learning about apprenticeships and the exciting careers available, visit: www.apprenticeships.gov.uk

The government has a fantastic website where you can learn more about the range of apprenticeships available, how to search and apply for apprenticeships, what roles are available by interest area and more. You can also hear real stories from apprentices about their experiences.

Click the link above or scan the QR code to visit now.

National Apprenticeship Week 2024

5th – 11th February 2024

TASK 7: Link the apprenticeship

To complete this task, please follow these instructions:

- Below is a list of school subjects and a box containing a variety of different apprenticeships – can you link each apprenticeship to a school subject?
- Write each apprenticeship in the box alongside the subject you think it links to (there is more than one per subject).
- If you are stuck, search and look at some of the apprenticeships here and see if you can find any you think link: <https://www.instituteforapprenticeships.org/apprenticeship-standards/>

★ Arts therapist ★ Nuclear scientist ★ Food technologist ★ Curator ★ Accountant ★

TASK 9: Be an apprenticeship influencer!

To complete this task, please follow these instructions:

- Completing an apprenticeship is a positive route into work that often leads to further training and progression. Many apprentices choose to share their experiences to inspire and encourage others to consider pursuing an apprenticeship.
- Think about the positive stories you have already heard and take a look at some more case studies via the following link: <https://amazingapprenticeships.com/apprentice-stories/>
- Think about how you could you inspire others to consider becoming an apprentice.
- What do you think is the best way to share your ideas: a poster to be displayed in school or college? A social media post? A film? A podcast?
- Think about the following points:
 - Has anything you have learned about apprenticeships surprised you?
 - Are there common misconceptions about apprenticeships that you can now correct?
 - What are the obvious benefits of completing an apprenticeship?
- Jot down your ideas in the space below. If there is time you could try creating some of your ideas to share with other students.
- If you are completing this online please type in the space.

My ideas...
