Michelle King - Headteacher

As we move into the second week of term, it has been wonderful to see our students settling in so well. They are looking smart in their uniforms and embracing the new school year with enthusiasm. We are proud of how quickly they have adapted and begun to engage in school life.

This term, we are excited to announce a number of charity events, starting with the **Macmillan Coffee Morning** on **27th September**, which will take place from **10:30am to 12:30pm**. We invite you to **join us for coffee and cake, served by our lovely sixth formers**, as we come together to support this fantastic cause. **We warmly invite you to attend** and be a part of this special event.

Looking ahead, our annual **Open Evening** is just 2 weeks away. You may receive a letter asking your child to help out on the night from a specific department. We are always grateful for your support in

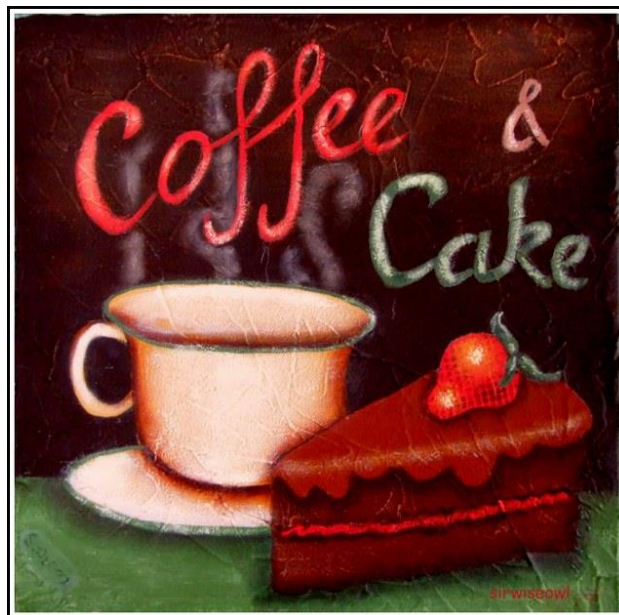

encouraging your child to take part in such events, as it offers them valuable experience and a sense of involvement in the wider school community.

In **PE**, we've hit the ground running with **Cross Country** events already in full swing. The students are showing great determination and enthusiasm as they represent the school, and we are looking forward to a successful season ahead.

Meanwhile, in **Year 7**, the students have been settling into **The Shore**, their new base, and are enjoying their lessons as they get used to their new routines. The first few weeks have been full of excitement, with many students commenting on how much they are enjoying their trips to the canteen. In fact, it's been said that the food offers "the best variety, with so much choice, it's hard to decide!"

We look forward to an exciting term ahead and thank you for your continued support.

Charity Bake Sale in aid of Macmillian

Everyone is welcome, whether you are a parent / carer of a student, a local resident or just want to come along and support this fantastic charity.

Friday 27th September sees Idsall 6th form organising a charity bake sale in aid of Macmillian Cancer Support.

The coffee morning is about students, parents, carer and, local residents getting together to raise vital funds to support people living with cancer. Students and parents are asked if you have the time, ability and would like to help support this amazing charity to please bake or buy some sweet treats to sell.

The 6th formers would love to welcome you all to join them for coffee and cakes on this date, whether you are a parent / carer, local resident or just someone who wants to come along and support this amazing charity, please come along between 10.30 to 12.30 in the schools main hall. Just report in at reception and expect a lovely warm welcome from our staff and students.

Come along and join us for coffee and cake

New Menu

Delicious and tasty are just some of the words that have been used to describe the food in the canteen. A new school year has bought us a new menu packed with incredibly tasty food and a huge variety.

Every day sees a different tempting dish on it, carefully based around healthy, good food that does not cost a fortune. Both hot and cold meals are available. So whether you like chicken tikka masala or fish and chips there is a meal choice for everyone.

Below are the three week rota menus. (we are presently on week three, so next week will be week one (w/c 16th September).

Money can be put onto a student's account via parent pay where you can also see what your student is buying. If you need more information about the parentpay system please do not hesitate to ring or email the school.

Year 6 Open Evening

On Thursday 26th September, Idsall School opens its doors to all the year 6 students interested in seeing around Idsall School.

Open evenings offer an invaluable opportunity to get a feel for a school. For potential new students to meet teachers and students, ask questions and hear from the headteacher. It is a time to get advice on the admission process and see if it is a right fit for the new students and parents.

The evening will commence at 4.30pm and showcase all the best of Idsall. Present students are invited to come along and help in various departments. If your student is interested in helping please ask them to speak to their subject teacher.

New Website Launch - Feedback

We are very excited about the launch of our new website next week

As a school we are always looking for ways that can improve communication and information getting out to parents and the public showing what we are doing as a school, our achievements and celebrating our students journey through Idsall.

With this in place you will see we are sharing with you a new style newsletter, we hope you find it easier to read.

We are also launching our new website next week that has all up to date information on your child's curriculum, what they are studying each term alongside lots of information about the school. We also post news every week on our Facebook page and newsletters.

As a school, we value your thoughts so any feedback would be gratefully received as we trial different ways of improving our communication.

What's on
