Michelle King - Headteacher

Welcome back to the summer term!

We ended the Spring term on a high with two amazing trips that we posted on our social site for everyone to keep up with. Thank you for all the lovely comments – students were brilliant and really enjoyed themselves.

We have also started this term with a trip to London for some sightseeing and a visit to the Houses of Parliament. Students came back buzzing, not only enjoying every minute but reciting new things that they had learnt and seen. This is what these experiences are about.

This term, there are more trips and lots more visitors planned to work with our students. It's full of activity.

Exams have now started and year 13 and 11 in particular are busy getting ready. A last push always makes a difference, good luck!

Here's to a lovely Bank Holiday weekend.

Hot Weather

After a very hot week, temperatures return to normal next week and **FULL** school uniform is required from Tuesday 6th May.

Year 11 Prom

We have now finalised the Year 11 Prom!

We have extended full payment from the 1st May until 9th May due to the issues with access to ParentPay. We will be confirming places and arranging tickets following this date.

Please be aware deposits are non-refundable. Places will be allocated after the 9th May and tickets will be issued to students week beginning 19th May by the Prom committee.

Calendar and Trips

- Mon 5th May : Bank Holiday
- Tue 6 May : Athletic Trials
- Tue 6th May : Year 6 Uniform Evening
- Wed 7th May : Year 8 PGL Parental TEAMS Meeting
- Fri 9th May : Year 11 Photo
- Fri 9th May : Commemorating VE Day - 80th Anniversary
- Mon 12th May : First Day of Year 13 Study Leave
- Wed 14 May to Fri 16 May : Year 8 PGL
- Thu 15th May : Year 8 Parents Evening
- Mon 2nd & Tue 3rd June : Year 8 HPV Vaccinations
- Thu 5th June : Year 7 Parents Evening
- Wed 25th Jun : Year 11 Prom
- Mon 30th Jun : Year 13 Prom

TRIPS

We are presently putting together potential / already in process trips for :

- Year 8 - PGL (May 2025)
- Year 9 - France and Belgium Battlefields Trip (May 2025)
- Year 8 & 9 - Las Vegas Geography Trip (see Mrs Green in G3 for more information) (October 2026) <https://www.idsallschool.org/las-vegas-trip-presentation/>
- Year 10, 11 & 12 - Kenya Expedition (see Mr Pittam in G2 for more information) (Summer 2026)

Disneyland Paris and Ski Trip Final Updates

After exhausting but fabulous trips it has been great to get so many emails from parents saying what a fantastic time their student had whilst on both the trips.

We know many of you were watching the continuous updates and photos on the facebook page - please feel free to download those photos of your students.

For the next few days you can follow the link below which may be an easier option.

Please note : these are for personal viewing and should not be shared.

We have a few passport cases etc that were removed before we went on the trip - if your student is missing one or any other lost property please ask them to pop to see Mrs Leverington.

Baby News

Just before we broke up for Easter we had the fabulous news that Mrs Thompson had her baby!

"I just wanted to share our wonderful news that our daughter, Bryia Kate Thompson, was born at 02.25am on Sunday 6th April, weighing 8lb exactly. She didn't want to wait until planned date and arrived a day earlier in the middle of the night. Her big brothers are besotted with her and we are adjusting to family life as a 5 well.

Mrs Thompson"

Huge congratulations from everyone at Idsall to Mrs Thompson and her family.

Year 11 Photo

1 - TAKE 3

We are going for a third attempt on capturing the students of year 11 on their year group photo.

The photo will now take place on Friday 9th May. We are aiming that the photo will be taken approximately 9.50 - 10.00 am.

Year 8 HPV Vaccinations

We have been asked to pass on the following letter to all year 8 students regarding the HPV Vaccination. This has also been emailed out to all parents. If you need any further information please email the school.

Dear Idsall School,

Human Papillomavirus (Universal HPV Gardasil 9)

Date Of Visit: 2 & 3 June 2025

Attached to this email is a letter for the 2024 Human Papillomavirus vaccination (HPV), please can you distribute this to the parents of all Year 8 pupils.

The eConsent link will close at 9am on 28 May 2025

We would be very grateful if you could use your communication platforms for the duration the link is open to remind parents to complete a consent form.

Dear Parent or Guardian,

Human Papillomavirus (Universal HPV) Gardasil 9 - 1 Dose Vaccination

The School Aged Immunisation Service will shortly be offering the Human Papilloma Vaccination (HPV) for all students in **Year 8**. The vaccination is **free, safe and effective**.

Human Papillomavirus (HPV): <ul style="list-style-type: none">➤ Human papillomavirus (HPV) is the name of a very common group of viruses.➤ HPV affects the skin. There are more than 100 different types.➤ They do not cause any problems in most people, but some types can cause genital warts or cancer.➤ HPV can also cause genital warts.	<ul style="list-style-type: none">➤ HPV has no symptoms, so you may not know if you have it.➤ This virus increases the risk of developing some cancers later in life, such as: cervical cancer, some mouth and throat cancers and some cancers of the anus and genital areas.➤ The HPV vaccine does not protect against other sexually transmitted infections

To find out more information about the Human Papillomavirus vaccine, visit the link below or scan the QR code:

[HPV vaccine - NHS](#)

The team will be visiting **Idsall School** on **2 & 3 June**

Once you have read through the information, please complete the electronic consent form

The link below will close at 9am on 28 May 2025

[Please click here or scan the QR code to complete your child's HPV vaccination](#)

How to give consent or decline for your child to get the vaccination

The virtual assistant will ask you for your child's NHS number, if you don't have this you can still complete the form either by using the search option to find your child's NHS number or by inputting their details.

Once your child has been identified, the virtual assistant will ask you questions in relation to the vaccine. Your child's details will be sent to the team and your child will be vaccinated in school.

If you **do not wish** for your child to receive this vaccination, please select 'No Consent' on the question that asks which vaccination you are consenting to.

If you have an issue with accessing the site or it appears blank this is likely due to you attempting to access the form whilst connected to the internet or via a device that has security settings that prevent you being able to see the form (for example, a work phone or computer).

Please try again whilst using your own phone/computer connected to your internet at home.

Please note, if you are accessing on a mobile it can take a few minutes for the virtual assistant to appear.

If you have consented to your child receiving the vaccination and then change your mind, please **do not** submit a new consent form, please telephone the team on 01743 730028 or email shropcom.immunisationteam@nhs.net to let us know.

When you have completed a successful consent form you will be issued with a unique reference number. Please make a note of this number as it can be used should you need to contact us.

If you are unable to complete the form online or have any questions, please contact the team on 01743 730028 or email shropcom.immunisationteam@nhs.net.

Yours sincerely,

Debbie Jones,
SAIS
Clinical Team Lead

A Level of the Week

what our current pupils think about their post 16 subjects

Sociology

Sociology complements the study of a range of other subjects in further education, including the *Humanities subjects, English* and *Business*. In addition, mainly due to their overlap in both content and skills, Sociology also works well if studied alongside the other Social Sciences; *Criminology, Economics* and *Psychology*.

The A-Level Sociology course offers students the opportunity to explore important sociological theories and methods, and the social changes reshaping the world today. It will transform your understanding of important aspects the social world and give you the confidence, knowledge and skills to help you to think critically and ethically about society and social change.

Sociology focuses on answering 'what', 'how' and 'why' questions, providing a strong academic foundation for students considering a range of different degree courses at university including *Anthropology* and *Law*. The study of Sociology could support pathways into a number of different careers including; *Civil Servant; Family Support Worker; Forensic Scientist; Journalist;*

Market Researcher; Policy Analyst; Police Officer; Public Relations Officer; Social Researcher/Statistician; Teacher and Youth Worker.

I chose to study A level Sociology because:

- ***“I picked Sociology because I wanted to have a more educated perspective on society and to understand why things happen and how topics can be viewed differently”***
- ***“I’m aiming to study primary education and Sociology links to this as we study education and the inequalities children face, I will be able to apply my knowledge to teach children and treat them fairly”.***
- ***“Mrs McMahon is the best!”***
- ***“I enjoy learning about crime and deviance in society”***
- ***“I want to go into marketing and business – understanding society is beneficial in understanding customers and consumer preferences”.***
- ***“I picked A Level Sociology because I am interested in the way people interact with wider societal structures”***

Year 13 Study Leave

A reminder that year 13 study leave starts at 3.15pm on Friday 9th May. Students will be working as per their normal timetable up until this point.

A letter was sent out before Easter ... it read :

"I hope this message finds you well. I am writing to provide you with an important update regarding the schedule for our year 13.

As of Friday 9th May, Year 13 will be required to attend exams only, teachers will continue to provide revision sessions and additional support. We hope that this is welcome news to both you and your young person. Please note, some subjects do require your attendance still as they still have a small amount of content to cover prior to sitting their examinations. Subject teachers will communicate their requirements to students.

This aims to better support our students during this intense period of revision, allowing them to have some additional time for rest, relaxation, and personal study."

Year 8 Parent's Evening

The date of the year 8 Parent's Evening has been changed due to many of the year 8 students being on PGL.

It will now take place on **Thursday 8th May, 2025.**

The appointment system is now open and **closes at 3pm on Tuesday 6th May.**

Celebration of Storytelling Talent!

We are absolutely thrilled to celebrate the remarkable creativity and storytelling talent displayed by our students during Storytelling Week!

This event has truly highlighted the imagination of our young authors, and we couldn't be prouder of their efforts.

A huge congratulations to our two outstanding winners: Emilia Brocklehurst's enchanting story captured the attention of Mr Bailey, while Molly Smith's delightful narrative impressed Felicity Radcliffe. Both students have demonstrated exceptional skill in weaving words into captivating tales, and their achievements are a testament to their hard work and creativity.

We would also like to acknowledge our talented runner-up, Joseph Dobbins, whose story showcased a compelling narrative that resonated with both peers and judges alike. It is inspiring to see such enthusiasm and dedication to storytelling in our school community!

We celebrate every entry received and cannot wait to witness further creativity in future competitions.

Keep up the fantastic work, everyone!

Year 10 Food Students

Year 10 Food students have been star bakers this week!

They have demonstrated an excellent understanding of the science behind breadmaking and have worked with seeds to increase the nutrition in their bread plaits.

Well done!

EAL Club (English as an Additional Language)

As a school we are presently in the early stages of setting up a club for students who have English as an additional language.

You might be wondering what exactly English as an Additional Language is and what it means for your student. The meaning of EAL is pretty simple; it refers to teaching English to students who are native speakers of another language. Since students may be fluent in several other languages, we use the term 'additional' instead of 'second'.

We are hoping this is going to be a hugely popular club with the EAL students. We aim to make it a place for them to engage in meaningful conversation and discussions, learn about different cultures and life in the UK. The club is to encourage development of social skills, leadership, teamwork and improving confidence.

First Meeting - Friday 9th at 9.00am in Room A1

Athletic Trials

On Tuesday 6th May, there will be athletic trials taking place for the students who have signed up to do an event.

This will be for year 8, 9, 10, 11 only. No year 7 as they are doing work in lessons.

If they want to be selected for the team and there are multiple names down for the activity, they will need to attend the trial in order to pick the most competitive students.

It will run until 4.15pm.

21 Mile Swim for Macmillan

One of our wonderful students Myleigh Van Der Woning is doing a 21 mile swim for an amazing cause MacMillan Cancer Support. Myleigh set herself the challenge to complete during June and July.

Myleigh says "I'd be so grateful if you can help me reach my goal, anything you can donate really will help make a difference. It'll keep me motivated to keep swimming too!"

If you can help Myleigh achieve her goal please go to her just giving page following the link below :

[Will you donate to Myleigh's Fundraising Page?](#)

Running for English Schools

Oliver Skelton, a 6th former at Idsall, has proven again what a fabulous athlete he is after taking part in English Schools in Sussex last month.

Well done on a fabulous performance Ollie!

Year 12 Construction Visit

Year 12 construction students went on a trip to Shrewsbury academy to have a look around the new STEM centre that is being built at our partner school, the educational trip was run through Tilbury Douglas construction LTD.

This was a fantastic opportunity for our students to look at how the structure was built, the time frame and the opportunities that are available to them once they finish the course.

Sport Updates

Presidents Trophy Cup Final

The year 9 boys football team played at Lilleshall in the Presidents Trophy Cup final and won 1 - 0.

It has been a very long time since Idsall last won this Trophy at any age group (Possibly over 15 years now), so it's quite a big achievement for this group of boys.

The boys were a credit to themselves and the school giving 100 percent throughout the match.

Trip Updates
