

Bookmark Design Competition

We need **new bookmarks** for Reading Lessons across the school – and **you could design them!**

Your bookmark will be printed, laminated, and used by students in your year group.

What to do:

- Design a bookmark that shows your **love of reading**.
- You could:
 - Focus on a **favourite author** 
 - Celebrate a **particular book** 
 - Or create a design that shows a **general love of reading** 

 **Prizes** will be awarded in each year group for the winning design!

Remember:

- Be creative.
- Make sure your design will fit onto a **bookmark shape**.
- All finished designs must be **handed in to the Library**.
